EXPERIENCE

Independent Full Stack Developer

Freelance

Pekalongan (Remote)

Early 2026 – Present

- Developed and delivered 2–4 client web projects, including custom landing pages and a Point-of-Sale (POS) system, generating total project revenue of Rp 15,000,000
- Built a full-featured POS web application to streamline inventory management and sales tracking for local businesses, reducing manual record-keeping effort
- Managed end-to-end project lifecycle: requirements gathering, UI/UX design, development, testing, and client handover
- Tech stack: PHP, Laravel, MySQL, JavaScript, Next.js, Git

Full Stack Developer

Internship at GKI Pekalongan Church

Pekalongan

March 2026 – May 2026

- Designed and built an attendance management system serving a congregation of 1,000+ members, enabling complete weekly records per member
- Developed an e-office system covering inbound/outbound letter management, document archiving, and approval workflows (disposisi)
- Implemented WhatsApp and email integration for automated letter distribution and real-time notifications
- Set up automatic cloud backup to Google Drive, ensuring data continuity and eliminating risk of data loss
- Tech stack: CodeIgniter 4, MySQL, WhatsApp API, Google Drive API

LEADERSHIP & ACTIVITIES

UKM Kesenian, STMIK Widya Pratama

Public Relations Officer (Humas)

Pekalongan

2024 – Early 2026

- Managed external relations and partnership initiatives for the organization's annual events, including Festival Music Patriot 2024 and Festival Music Patriot 2025
- Secured sponsorship agreements totaling over Rp 50,000,000 across two major events through proposal development, partner outreach, negotiation, and relationship management
- Coordinated communication with sponsors, media partners, and external stakeholders to support event execution and increase community engagement
- Handled internal administrative correspondence and official documentation to ensure smooth organizational operations and compliance with campus procedures
- Collaborated with cross-functional teams to support event planning, promotion, and execution for large-scale student activities

GKI Pekalongan Church

Chairman, Youth Commission (Ketua Komisi Pemuda)

Pekalongan

2026 – 2028

- Lead a cross-generational committee with members 5–8 years senior, requiring adaptive leadership, empathy, and high-stakes decision-making
- Bridged communication across multiple church commissions, fostering collaboration and an inclusive community environment
- Drove engagement initiatives encouraging youth to actively participate in broader inter-commission church activities
